A FEW WORDS FROM YOUR PRESIDENT... Jack Howes

Welcome to the 25th consecutive Annual C4 Convention, our 8th convention in Baltimore. Glad you are here, there is nothing like waiting all year for this convention and finally it is here. We have scheduled events, meetings, lectures and exhibits. Please refer to this program for times and locations for events. **We still have some of the special anniversary medals available at the club table in copper and silver. Ask about them.**

The C4 events (Social and Education) will be held in the Potomac Room (3rd floor) at the Sheraton Inner Harbor Hotel on Thursday night beginning at 6:00 pm. The Board of Directors Meeting will be held at 8:00 am Saturday in room 304 of the Convention Center and the Business Meeting will be held in the same room at 9:00 right after the BOD meeting. This room (304) is the same room as the daytime lectures on Friday and Saturday as well as the study group meetings. Please check at our table just to confirm the times and locations.

Again this year we are having a joint convention with EAC who will have a table next to ours with information and exhibits.

Do not forget to purchase your meal ticket for \$25 for Thursday night's dinner at our Club table, although they can be bought at the door.

Our co-sponsored auction with Stack Bowers is going to be a great event, being held on Friday in Convention Center (CC). This will be an amazing year for auction material. There are four major collections of colonial or closely related material that will be auctioned at this convention – John Adams medals, Baker collection of Washingtonia, a super run of New Jersey coppers and finally Robert Martin's CTs and Mass silver. Check the schedule for times.

So please enjoy yourselves, get re-acquainted with friends, make new ones, hang out at our C4/EAC area and get to know your "management team" and maybe this is the year that you get more involved with your club. Please come to the business meeting Saturday morning at 9 in Room 304 of the CC all are welcome. If you have any questions please stop by the C4 table and talk to board members and give us your comments. We can always improve on things. As always, I appreciate your confidence in our Board. We try to do our very best for the hobby.

C4's Focus and Purpose

The Colonial Coin Collectors Club (C4) was founded in 1993 to provide a forum for collectors of numismatic material related to the Early American era. This involves coins, tokens, currency, and medals. The exact time frame encompassed by colonial numismatics is open to debate, but is generally accepted to include the complete pre-federal period as well as some issues of the 1790's. The early George Washington coins, tokens and medals are considered colonial items by most, and some of these date to the first half of the nineteenth century.

The club provides a forum for people interested in this period. The aims of the club are:

- 1- To increase the public's knowledge about colonial numismatics through meetings, conventions and its newsletter.
- 2- To promote the study of colonial numismatics and to help disseminate this information.
- 3- To cultivate fraternal collector relations.

For these purposes, the club will hold several meetings during the year in conjunction with major numismatic shows. The club has also established a colonial reference library and a colonial coin photo file. In addition, the C4 Newsletter is published quarterly.

***C4 Proudly Announces a New Book
By Roger A. Moore!***

The growth and development of Virginia into one of the most important North American colonies can be traced by the economic evolution of the Dominion State as it attempted to gain the necessary hard currency needed for commerce. The history surrounding the introduction of various coinages and the use of tobacco as a commodity currency over the 150 years leading up to the final authorization of the production of Virginia halfpence in 1773 is fascinating. Equally as absorbing are the twists, turns and dead ends encountered by the Virginia colonists as they sought authorization from the English Crown for their own coinage. It is ironic that the long desired copper Virginia halfpence finally provided to Virginia under Warrant from King George III became available to the colonists only fifty days before the beginning of the American Revolution.

In addition to exploring the historic context in which colonial Virginia struggled to obtain hard currency, methods are provided for attributing and collecting the 30 known die varieties of the 1773 copper Virginia halfpence. The book also enumerates the specifics of the Virginia halfpence metrology, rarity, and grading, as well as their numerous forgeries, facsimiles, fantasies and oddities. Virginia halfpence can be appreciated and collected in nearly uncirculated condition and are important additions to any collection of American colonial coins.

Covered Matrix of the Virginia Halfpence

Early American Coppers

Colonials, Half Cents, Large Cents, and Hard Times Tokens and more.
EAC comprises over 1,200 knowledgeable members located throughout the United States.

Benefits of Membership

Penny-Wise

This is the official journal for EAC. Well-respected among numismatic journals in the United States, it has won a number of awards from the Numismatic Literary Guild under the editorship of Harry E. Salyards since 1986. It is published quarterly in January, April, July and October.

EAC Website

All issues of Penny-Wise, back to the first issue in the fall of 1967, are available to the world on the Newman Numismatic Portal. Issues published in the last two years are available in the "Members Only" section of the EAC website. The Members only section includes a wealth of information, video and media presentations.

Annual EAC Convention

The EAC Convention is held in early spring. This year we will meet at the beautiful Grand Traverse Resort in Acme, Michigan. Meeting sites are rotated throughout the United States. In addition, EAC holds meetings and symposiums in conjunction with major coin conventions. They are the best way for new members to become familiar with early coppers and to meet others who share similar interests.

Region 8

Members enjoy a weekly newsletter email, consisting of submissions from other Region 8 members. Any EAC member can join Region 8.

Copper Notes and Dark Side

Copper Notes is EAC's online community, our very own private Facebook page. All EAC members are welcome but must request an invitation. Copper Notes is not visible to the general Facebook population. Enjoy real time conversations with the experts! Dark Side is a similar format discussing counterfeit Coins and anomalies.

EAC yearly dues are \$39.00. A junior membership (under 18) is available for \$5.00

Join today by visiting www.eacs.org

SAINT PATRICK COINAGE: FOR IRELAND AND NEW JERSEY, by Sydney F. Martin, is available for \$95 for C4 members or \$125 for nonmembers of C4, plus \$7.25 shipping from bookseller Charles Davis.

In many ways this work is a collaborative effort, helped by many collectors who shared access to their St. Patrick collections for Syd to examine and photograph. The result is the first complete and illustrated catalogue of all known varieties in the series; unlike Syd's earlier three books, this one features color photographs. The 528 page book is hardbound, with color illustrations throughout of the different coin varieties examined, with dust jacket.

THE JOURNAL OF EARLY AMERICAN NUMISMATICS,
Christopher McDowell, Editor

The Journal of Early American Numismatics (JEAN) is a new research journal based on the former Colonial Newsletter (CNL) dedicated to the study of early American numismatics. Founded in 1960, CNL continuously published some of the most scholarly and seminal studies in this area of numismatics. Focusing on the study of the coinages produced by the states during the Confederation period of the United States, CNL also investigated a variety of other specie that the U.S.'s forefathers used in their daily lives.

JEAN expands the focus of CNL with contributions on numismatics of all of the Americas during the same time period covered by CNL, and is published as a bound scholarly journal twice a year in June and December.
